Instrumental Music at Long Branch

Long Branch students, do you want to learn how to play a musical instrument?

Long Branch parents, do you want your child to experience all the benefits and the fun of learning to play an instrument?

4th and 5th grade students will have the opportunity to learn to play an instrument during the school day. Each student will receive a 30-minute class/lesson each week. These lessons are provided free of charge by APS. Families will be responsible for rental or purchase of the student's instrument. However, APS provides many instruments at a very low cost to families. Students who qualify for free or reduced lunch can rent an APS instrument for as little as $25 for the whole school-year!
