

Equipment Needed for Percussion Students

If you have signed up to play percussion (drum) this year, you will need to go to a music store and purchase the following:

- **Eight-inch drum practice pad**
- **Pair of drum sticks (2-B, approximately 14")**

Both Music and Arts and Foxes Music carry the equipment. Call ahead to make sure that it is in stock. The total cost will be around \$25, but they are yours to keep. We do not sell or rent this equipment from school. If your student is studying the bells this year, we do rent those from school, at the regular school rental cost.
