Who are the Long Branch Lions?

Long Branch has been a neighborhood school since 1973 and its pre-K to grade five students reflect Arlington's diverse and changing population.

Long Branch provides equitable opportunities for all students to expand on strengths and meet their needs, allowing all children to be part of a caring community in which social and academic learning are fully integrated throughout the school day.

Long Branch staff commits to getting to know each student as an individual and strives to provide a positive, engaging, and enriching environment in which all students are active participants and show continuous progress.

Long Branch's achievements are the results of a focused, hard-working staff, a dedicated group of students, and a parent community that values education and supports the school's programs.

The school's fine arts and performing arts programs are among the most dynamic in Arlington, making annual concerts and musicals popular community events.
